the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform the audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design the audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Emphasis of Matter

1. We draw attention to **Note 6** of the Financial Results. During the quarter ended 30th September 2025, the Company has converted 9,85,220 warrants into an equivalent number of equity shares, each carrying a right to subscribe to one (1) equity share of Rs. 10 each at an issue price of Rs. 203 per warrant, aggregating to approximately Rs. 1,999.99 Lakhs. The conversion was affected on 25th September 2025, upon receipt of the balance subscription money representing 75% of the issue price, i.e., Rs. 152.25 per warrant, amounting to Rs. 1,499.99 Lakhs. Consequently, the said equity shares have been duly allotted and rank pari passu in all respects with the existing equity shares of the Company.
2. We draw attention to **Note 5(a)** of the Financial Results. The Government of India has consolidated 29 existing labour legislations into a unified framework comprising four labour codes as follows: Code on Wages, 2019, Code on Social Security, 2020, Industrial Relations Code, 2020 and Occupational Safety, Health and Working Conditions Code 2020 (collectively referred to as the New Labour Codes), effective from 21 November 2025. The Company has assessed the implications of the New Labour Codes and has recognized an incremental cost of Rs. 27.5 lacs towards employee benefits as past service cost of plan amendments during the year ended 31 March 2026.
3. We draw attention to **Note 8** to the accompanying financial results regarding an advance of ₹2.27 crore recoverable from a company, which is presently under litigation. No interest has been charged on the said outstanding balance during the period. Based on the assessment made by the management, the aforesaid amount is considered recoverable and accordingly, no provision towards impairment / expected credit loss has been recognized in the accompanying financial results.

Our opinion is not modified in respect of the above matters.

### Other Matter

The statement includes the results for the quarter ended March 31, 2026 being the derived figure between the audited figures in respect of the full financial year ended March 31, 2026 and the published unaudited year-to-date figures up to the third quarter ended 31<sup>st</sup> December, 2025, which were subject to limited review by us.

Our opinion is not modified in respect of this matter
